First Appointment

You can complete the highlighted fields on this form online and then print the form for easy reference. Only text that is visible on the form is printed; scrolled text will not print. Any text you enter into these fields will be cleared when you close the form; you cannot save it.

Print this form and fill in the information if you are seeing this health professional for the first time. Although you may have to complete a similar form when you arrive at the office, completing this form will help you organize your thoughts and provide more complete information.

Complete Section 2 at the end of your appointment if you have a health problem that needs treatment.

Section 1: Current health and health history
Reason for appointment
Why did I make this appointment?
